

CAPILLAREX®

DIOSMIN, HESPERIDIN, TROXERUTIN, VITAMIN C AND BROMELAIN FOOD SUPPLEMENT, WITH GRAPE SEED EXTRACT.

- IT PROVIDES NATURAL NUTRIENTS ACTING ON MICROCIRCULATION

PACKAGING: 30 TABLETS, 900 mg EACH

FEATURES

Capillarex® is a Diosmin, Hesperidin and Troxerutin food supplement, Vitamin C and Bromelain, an enzyme typically found in pineapple. Thanks to grape seed extract (Vitis Vinifera seeds), Capillarex® supports microcirculation functionality and regulates cardiovascular system functionality. Vitamin C contributes to regular collagen formation, to normal blood vessel function and contributes to protect the body cell from oxidative damage. This product does not contain gluten (Gluten Free), therefore is suitable also for people suffering from celiac disease or gluten intolerance.

RECOMMENDED FOR

- People with capillary fragility
- People with swollen and heavy legs
- People with water retention caused by poor microcirculation

INDICATIONS

This product supports normal microcirculation functionality.

Warnings: this product is not intended as a substitute for a varied diet, but should be used as part of a healthy, balanced diet and a healthy lifestyle. Do not exceed the recommended daily dosage, keep out of reach of children under the age of 3. Do not take during pregnancy. Store in a cool dry place. The expiration date applies to the product in its intact container when stored as directed. This product is tested free from Nandrolone and Testosterone with their precursors, free from Beta2-agonists, diuretics, amphetamines and ephedrines.

HOW TO USE AND RECOMMENDED DAILY DOSE

1 tablet per day, preferably between meals. One pack is sufficient for a 30 day course. Courses can be repeated.
