

CREATINA

CREATINE FOOD SUPPLEMENT

- EXTREMELY PURE
- MICRONIZED
- CONCENTRATED

PACKAGE: 300 g

FEATURES

The creatine used in this product is micronized CREATURE®, a top quality raw material, with a very high concentration and purity.

This product has an excellent solubility, no off-taste and no residual smell and is suitable for the diet of athletes.

Creatine is able to increase physical performance during short-term, high intensity, repeated exercise bouts. The beneficial effect can be obtained with a daily intake of 3 g of creatine.

RECOMMENDED FOR

SUITABLE FOR ATHLETES WHO WANT TO IMPROVE MUSCLE PERFORMANCE

- People who carry out very intense, repetitive exercise with repeated sprints
