

ARGININA[®] ACTIVE POWER

ARGININE FOOD SUPPLEMENT WITH CITRULLINE,
VITAMIN B12 AND ZINC

POWER FOR YOUR SPORT

- ARGININA IS INVOLVED IN ENDOGENOUS NITRIC OXIDE AND CREATINE SYNTHESIS
- ARGININE STRENGTHEN WITH CITRULLINE
- WITH ZINC TO MAINTAIN NORMAL LEVELS OF TESTOSTERONE

EXTREMELY PURE

PACKAGE: 90 TABLETS, 1500 mg/each

RECOMMENDED FOR

- High intensity sports
- Strength and velocity training

WHEN TO USE ARGININA ACTIVE POWER

Warnings: do not exceed the recommended daily portion. Keep out of reach of children under the age of three. Supplements are not intended as substitutes of a varied, balanced diet and a healthy lifestyle. Store in a cool, dry place. Best before end date applies to the product in its intact container when stored as directed. This product is tested free from nandrolone and testosterone with their precursors, free from Beta2-agonists, amphetamines and ephedrines.

INFORMATION

Arginine is an amino acid involved in several important metabolic processes. Nitric oxide and creatine synthesis are two processes, which require arginine. Citrulline is a precursor amino acid of arginine and nitric oxide. Vitamin B12 contributes to normal energy-yielding metabolism and to the reduction of tiredness and fatigue. Zinc contributes to normal testosterone levels in the blood.

FEATURES

Arginina Active Power is an innovative product, which contains different ingredients providing complementary actions. In this product, arginine, in the form of alpha-ketoglutarate, is combined with citrulline, vitamin B12 and zinc.

INDICATIONS

For high intensity exercise requiring strength and muscle explosive power.

HOW TO USE AND RECOMMENDED DAILY DOSE

3 tablets per day, preferably between meals. It is recommended to take 2 tablets approximately 1 h before exercise and 1 tablet before going to sleep.

INGREDIENTS

L-Arginine alpha-ketoglutarate (AKG), bulking agent: cellulose; L-Citrulline DL-malate, zinc gluconate, anticaking agents: magnesium salts of fatty acids, silicon dioxide; vitamin B12 (cyanocobalamin).

TYPICAL VALUES

	Per portion (3 tablets)	NRV% Per portion (3 tablets)
L-Arginine alpha ketoglutarate (AKG)	3000 mg	-
L-Citrulline	300 mg	-
Vitamin B12	7.5 µg	300%
Zinc	15 mg	150%

NRV: Nutrient Reference Values (adults) according to Reg. (EU) No 1169/2011
